STATEMENT OF OBJECTS AND REASONS

Alcoholism is a progressive disease which damages the psychological, emotional and physical health of both the alcoholic and his family. It is labeled as family disease because its effects leads to dysfunctional roles besides shattering the economy of the family. The rise in using alcoholic drinks is an ascending curve and this is largely due to insensitivity to deal with the issues in a holistic manner. People in general and the women folk in particular feel insecure to venture out their homes for their day to day work at night hours. If this trend of using alcohol is not checked at this point of time, it will prove disastrous for the society as such strict law on the subject is inevitable.

SRO-519.—The Government in order to provide budgetary support to the existing eligible manufacturing units operating in the State of Jammu and Kashmir hereby notifies the following scheme for providing budgetary support to the manufacturing units in the shape of reimbursement of State Taxes paid under Jammu and Kashmir Goods and Services Tax Act, 2017. The scheme shall be limited to the tax which accrues to the State Government

under Jammu and Kashmir Goods and Services Tax Act, 2017 after adjustment of the input tax credit paid by the manufacturing units :—

(1) *Short title and commencement.*—(i) The scheme shall be called as Jammu and Kashmir Reimbursement of State Taxes for promotion of Industries in the State of Jammu and Kashmir.

(ii) Scheme shall come into operation w. e. f. 08-07-2017 for an eligible unit and shall remain in force till the scheme namely “***Budgetary Support under Goods and Services Tax regime to the Industrial Units located in States of Jammu and Kashmir, Uttarakhand, Himachal Pradesh and North East including Sikkim***” dated the 5th of October, 2017 announced by Government of India is in operation.

Objective :

The State Government in recognition of the hardships arising due to withdrawal of remission from payment of Value Added Tax has decided that it would provide budgetary support to the eligible units by way of part reimbursement of the Goods and Services Tax, paid by the unit after adjustment of Input Tax Credit on supply of finished goods manufactured by the Industrial Units located in the State of Jammu and Kashmir except those falling in Annexure-A.

2. Definitions.—

2.1 ‘**Eligible Manufacturing unit**’ means a unit which avails the benefit under Central Scheme namely **Budgetary Support under Goods and Services Tax regime to the Industrial Units located in States of Jammu and Kashmir, Uttarakhand, Himachal Pradesh and North East including Sikkim dated the 5th of October, 2017.**

of Industries/Handloom/Handicrafts/Jammu and Kashmir Khadi and Village Industries Board/ Small Scale Industries Development Corporation Limited (SICOP)/J&K Industrial Development Corporation (SIDCO) except those mentioned in Annexure -A to this notification.

3. *Determination of the amount of reimbursement.—*

3.1 The amount of reimbursement under the scheme for specified goods manufactured by the eligible unit shall be the sum total of—

- (i) amount of State Tax paid through debit in the cash ledger account maintained by the unit in terms of sub-section (1) of section 49 the Jammu and Kashmir Goods and Services Tax Act, 2017 after utilization of the input tax credit of the State Tax (SGST) and Integrated Tax (IGST) :

Provided where inputs are procured exclusively from a registered person operating under the Composition Scheme under section 10 of the Jammu and Kashmir Goods and Services Tax Act, 2017 or from any unregistered persons, the benefit of the reimbursement will not be extended to the Industrial Units :

*Explanation:—*To avail benefit of this scheme, eligible unit shall first utilize input tax credit of State tax and integrated tax and balance of liability, if any, shall be paid in cash and where this condition is not fulfilled, the

**THE JAMMU AND KASHMIR ELECTRICITY
(AMENDMENT) BILL, 2018**

[L. A. Bill No. 15 of 2018.]

A Bill to amend the Jammu and Kashmir Electricity Act, 2010.

Be it enacted by the State Legislature in the Sixty-ninth Year
of the Republic of India as follows :—

1. *Short title and commencement.* (1) This Act may be called the Jammu and Kashmir Electricity (Amendment) Act, 2018.

(2) It shall come into force from the date of its publication in the Government Gazette.

2. *Amendment in section 14, Act No. XIII of 2010.* In section 14 of the Jammu and Kashmir Electricity Act, 2010, (hereinafter referred to as "the principal Act"), after third proviso, the following proviso shall be inserted, namely,

öProvided also that the Government Company or the Company referred to in sub-section (2) of section 91 of the Act, shall be deemed to be a licensee under this Act.ö

3. *Amendment in section 91, Act No. XIII of 2010.*66
In section 91 of the principal Act, in sub-section (2), for the words, "transmission licensee", the words, "transmission licensee or distribution licensee" shall be substituted.

STATEMENT OF OBJECTS AND REASONS

After the notification of the J&K Electricity Act, 2010, the Government of Jammu and Kashmir (GoJ&K) had felt the need to optimally restructure its power sector utilities in order to improve commercial efficiency and customer services, while making them viable and competitive to operate under the significantly changed and fast changing business environment envisaged under the J&K Electricity Act, 2010.

In consonance with the requirements of the J&K Electricity Act, the GoJ&K accorded in-principle approval to the reorganization of Jammu and Kashmir Power Development Department (J&KPDD) on August 26, 2010, with the stipulation that the successor entities formed as a result of the unbundling process shall be fully owned by GoJ&K.

Accordingly, Jammu and Kashmir State Power Development Corporation (J&KSPDC) was appointed as the nodal agency to appoint external consultants to carry out the reorganization of J&KPDD into successor companies. Subsequently, vide Government Order No. 55-PDD of 2013 dated 7th February, 2013, the following companies were incorporated :óó

- a. Jammu and Kashmir State Power Transmission Company Limited (Transco) ;
- b. Jammu and Kashmir State Power Trading Company Limited (Tradeco) ;
- c. Jammu Power Distribution Company Limited (Jammu Discom) ; and
- d. Kashmir Power Distribution Company Limited (Kashmir Discom).

No. 45-5] The J&K Govt. Gazette, 9th Feb., 2018/20th Magha, 1939. 5
license (for example trading licensee) would require Jammu and
Kashmir State Power Trading Company Limited to maintain a minimum
net worth of INR 50 crore.

With the above suggested amendment, the Jammu and Kashmir
State Power Trading Company Limited will be considered as deemed
licensee and infusion of INR 49.5 crores might not be required.

The Bill seeks to amend section 14 of the J&K Electricity
Act, 2010 to extend the deemed licensee status to the Successor
Companies, thus enabling all the Successor Companies to act as the
deemed licensee without the requirement of applying for a separate
license.

Also, it has been observed that in section 91, sub-section (2)
of the J&K Electricity Act, 2010, reference to distribution licensee
has been inadvertently missed. Section 91 of the J&K Electricity Act,
2010 deals with the vesting of the Government property in case of
re-organization of the Electricity Department or utility of the State
of J&K. In sub-section (2) of section 91, reference to distribution
licensee should also be present, which is currently not present. Hence,
the necessary change to rectify the same may also be introduced in
the J&K Electricity Act, 2010.

The Bill is necessitated as the proposed operationalization of the
Jammu and Kashmir State Power Trading Company Limited (Tradeco),
in the first instance, shall have to be preceded by the change in Law
as proposed hereinabove.

STATEMENT OF OBJECTS AND REASONS

The Pahari Speaking People of the State are mainly concentrated in remote areas of the State and are a subject of considerable economic distress which is being witnessed from their backwardness in reference to socioeconomic indices. They are backward socially, economically and educationally. On the one hand, they are not able to compete with higher sections of the society who are better placed in terms of socioeconomic position as also in terms of access to services like Education and Health Care due to above mentioned disadvantage. On the other hand, with the scheduling of Gujjars & Bakerwals as Tribes, the Pahari Speaking People are not able to derive any benefit even of the lower rung in respect of getting employment and other amenities, which testified that Pahari Speaking People is suffering from socioeconomic backward and inadequacy of representation as a class and therefore, deserve reservation.

With the objective to provide reservation to the Pahari Speaking People, L. A Bill No. 18 of 2014 was placed before State Legislature and after discussion in the matter, the said Bill was passed by the both the Houses of the State Legislature and placed before the Honble Governor for his assent. Honble Governor returned the said Bill under proviso to Section 78 of the Constitution of the Jammu and Kashmir for its reconsideration by the State Legislature Honble Governor has raised his observation on following lines :ॐ

- (a) Identification of Pahari Speaking areas.
- (b) Criteria to be adopted for identification of such area(s).
- (c) Basis on which the persons can be declared as 'PSP'.
- (d) Backwardness, inadequacy of representation and overall administrative efficiency of such area(s).

6 The J&K Govt. Gazette, 9th Feb., 2018/20th Magha, 1939. [No. 45-3
oo

(iii) He must be speaking Pahari language and his mother tongue must be Pahari.

(iv) In cases of claims on the basis of residence in the specified area, he must prove by documentary evidence that his two preceding generations live in that area and were speaking Pahari language.

(v) Voters identity card.

3. **Backwardness, inadequacy of representation and overall administrative efficacy of such areas.** Paharies predominantly reside in hilly areas. After partition of the country in 1947 their geographical, social, economic and cultural links with the plain of Punjab got disconnected, recurring, disturbances and periodic shelling has rendered a good stretch of land uncultivable. Due to heavy snowfall and avalanches in areas like Keran, Karnah, Machil etc. These areas get disconnected from the rest of the State for ¾ months every year. The Paharies are thus living in pitiable conditions and their exact economic profile must be even worse.

In the field of education, a huge number of Pahari Children never go to schools. Since there is no provision of mobile schools for them as in case of other pastoral communities, children of migrating portion of Paharis face a heavy drop out. The economic review for the years 2009-10, reflects the literacy rate at 51.20%. The information about below poverty line population of Poonch and Rajouri as reflected from J&K Planning and Development Department, is record at 33.67% and 25% respectively. Various surveys including MSME, Government of India profiling show that there is absolutely no large or medium scale industry or private section available to them for a gainful employment.

No. 45-3] The J&K Govt. Gazette, 9th Feb., 2018/20th Magha, 1939. 7
oo

Accordingly the matter was considered and it was decided that the Bill No. 18 of 2014 may be re-considered by the State legislature in a modified form so that the persons belonging to Pahari community having distinct culture, ethnic and linguistic identity may be given the benefit available to socially and educationally backward Classes of the State.

The proposed Bill, therefore, aims at mainstreaming this community by bringing them within the ambit of positive discrimination as governed by the constitutional principal of affirmative action and as applied to other marginalized communities of the country.

oo

STATEMENT OF OBJECTS AND REASONS

The transfer of immovable property in the State is governed by the Jammu and Kashmir Transfer of Property Act, (Samvat) 1977. Section 139 of the said Act prohibits transfer of immovable property in favour of non-permanent residents of the State. However, Section 140 of the Act carves out an exception whereunder transfer and lease of immovable property is permitted in favour of various Corporations, Companies, Boards, Societies and Institutions mentioned in the said provision. As per the provisions of the State Constitution and the definition of the State Subject (now called Permanent Resident), only a natural person can be a permanent resident of the State. Since Corporations, Companies, Boards, Societies and Institutions are not natural persons but only legal entities, the transfer of immovable property in favour of such institutions is possible only if such Corporations/Boards etc. are included in Section 140 of the Transfer of Property Act.

The Jammu and Kashmir Energy Development Agency (JAKEDA) working under the administrative control of Science and Technology Department is mandated with promotion, development and implementation of Small Hydro Projects and Renewable Energy Projects in the State.

With a view to permit transfer and lease of land in favour of J&K Energy Development Agency (JAKEDA), Section 140 of the Jammu and Kashmir Transfer of Property Act, (Samvat) 1977 needs to be amended to include the said agency in the exemption category.

Hence the Bill.

THE JAMMU AND KASHMIR MOTOR SPIRIT AND DIESEL
OIL (TAXATION OF SALES) (AMENDMENT) BILL, 2018

[L. A. Bill No. 18 of 2018.]

A Bill to amend the Jammu and Kashmir Motor Spirit and Diesel Oil (Taxation of Sales) Act, Svt. 2005 (1948 A. D.).

Be it enacted by the State Legislature in the Sixty-ninth Year
of the Republic of India as follows :ॐ

1. *Short title and commencement.* (1) This Act may be called the Jammu and Kashmir Motor Spirit and Diesel Oil (Taxation of Sales) (Amendment) Act, 2018.

(2) It shall come into force from the date of its publication in the Government Gazette.

2. *Amendment in section 2, Act No. V of Svt. 2005.* 66In section 2 of the Jammu and Kashmir Motor Spirit and Diesel Oil (Taxation of Sales) Act, Svt. 2005 (hereinafter referred to as the "principal Act"), for clause (b), the following clause shall be substituted, namely :—

ð(b) ðmotor spirit or diesel oilð means any inflammable hydrocarbon (including any mixture of hydrocarbons or any liquid containing hydrocarbon) which is ordinarily used for providing reasonably efficient motive powers and it shall also include Aviation Turbine Fuel (ATF) and Natural Gas.ð

3. *Amendment in section 3-A, Act No. V of Svt. 2005.66* In section 3-A of the principal Act, in sub-section (1), for the words, "Motor Spirit and Diesel Oil", the words, "Motor Spirit and Diesel Oil other than Aviation Turbine Fuel (ATF) and Natural Gas" shall be substituted.

STATEMENT OF OBJECTS AND REASONS

Jammu and Kashmir Motor Spirit and Diesel Oil (Taxation of Sales) Act, Svt. 2005 (1948 A. D.) provides for levying of tax and cess on the retail sale of Motor Spirit and Diesel Oil only. ATF and Natural Gas are being taxed under J&K GST Act, 1962. Since, like Diesel and Petrol, ATF and Natural Gas at present are out of the ambit of SGST Act, 2017, it is important that these two commodities, being inflammable hydrocarbon may also be placed in Jammu and Kashmir Motor Spirit and Diesel Oil (Taxation of Sales) Act, Svt. 2005 (1948 A. D.) and taxed thereunder. This attempt would ease out the business compliance as also reduce the cost of collection of these taxes and would also ensure that all petroleum products will fall under the single legislation. It is pertinent to mention that these products also like Petrol and Diesel are being supplied by only three companies i. e. IOC, Bharat Petroleum and Hindustan Petroleum.

Hence the Bill.
